Questions Submitted in Advance of the 2023 Annual General Meeting (AGM)

The Board recognises the importance of shareholders and CDI holders being able to ask questions relating to the business of the AGM to be held on 21 February 2023 and as outlined in the AGM Notice of Meeting, invited questions by e-mail. The answers to questions received by 09.00 on 7 February 2023 are set out below. Shareholders and CDI holders planning to attend the AGM in person will have the opportunity to ask questions live in the meeting.

Question: I would like to be able to watch the AGM online – is this possible?

Answer: The Board decided not to webcast the 2023 AGM having considered the cost to do so compared to the very low viewing figures in prior years and decided a webcast is not cost effective. The Board will keep the arrangements for future AGMs under review.
